

How to Create an IEEE Account

Step 1: Click the following link to begin your account creation:

<https://www.ieee.org/profile/public/creatwebaccount/showRegister.html>

Image of an Account Creation Form, which has been annotated with colored boxes to enhance clarity.

The image shows a web browser window displaying the IEEE account creation form. The form is titled "Create an IEEE Account" and includes a link for users who already have an account. The form contains several input fields, each highlighted with a colored box: "Given / First Name", "Middle Name", "Last / Surname", "Email Address", "Password", "Confirm Password", "Create Security Question", "Security Answer", and "Country / Region". A checkbox for "I have read and accept IEEE Privacy Policy" is also present, along with a "Create Account" button.

Step 2: Complete the Form

Enter the prompted information:

1. First Name
2. Middle Name
3. Last Name
4. Email Address
5. Password
6. Confirm Password
7. Security Question
8. Security Answer
9. Country

Next, check the attestation box to confirm you have read and accepted the IEEE Privacy Policy. Then, click "Create Account."

Step 3: Log In to the Speaker Proposal Platform

Once your account is successfully created, log into the speaker proposal platform here:

<https://ieee.secure-platform.com/a/solicitations/1427/home>
